

## **Notice of Public Hearing – posted on May 6, 2022**

The Scurry County Hospital District will hold a public hearing to consider and possibly approve a tax abatement agreement between the hospital and:

Brazos Wind Ventures, LLC  
Cummings Westlake  
16410 N. Eldridge Parkway  
Tomball, TX 77377

This project is located in the Scurry/Borden County Line Reinvestment Zone #1. The estimated project cost is \$75,696,000.00.

The proposed project is anticipated to have a capacity of approximately 95 MW located in the Scurry County Hospital District. The exact number and location of wind turbines and size of each turbine will vary depending upon ongoing wind and siting analysis, turbine manufacturer's availability, prices, and the megawatt generating capacity of the project when completed. The applicant requests a value limitation for all facilities and equipment installed for the project, including; wind turbines, towers, foundations, roadways, meteorological towers, collection system, communication system, electric switchyard, electric transformers, transmission line and associated towers, interconnection facilities, SCADA systems, transformers, fire suppression systems and all eligible ancillary and necessary equipment.

The meeting will be held at 8:00 a.m. in the hospital administration foyer, located at 1700 Cogdell Blvd. in Snyder, Texas on Wednesday, June 29, 2022.
