

NOTICE TO PATIENTS

Dr. Bid Cooper will be closing his practice as of October 1, 2023. He will be working to complete records and to help facilitate the transfer of his patients to the medical practitioner of their choice.

Patient records will be maintained at the Cogdell Family Clinic, and the other clinic physicians will be available to provide for your future medical needs. Please contact the clinic at 325-573-1300 should you wish to schedule an appointment with another practitioner. Dr. Rob Walette and Dr. Armando Monroy will be joining our staff and will be available to care for new patients.

Copies of medical records are available by contacting the health information management (HIM) department at Cogdell Memorial Hospital at 325-573-6374.

Please contact clinic manager Irene Canales if you have questions.
